RE: VMRC #09-0806

Dear Mr. Trainum:

This will acknowledge receipt of your agent's February 19, 2010, letter noting your appeal of the February 11, 2010, decision by the York County Wetland Board to deny your request to repair an existing riprap revetment and the construction of 125 linear feet of new riprap, two headland breakwaters, one riprap spur, three sills and the placement of beach nourishment material to facilitate planting of *Spartina alterniflora*, *Spartina patens* and select dune grasses for shoreline stabilization/habitat improvement at your property situated at the confluence of Cabin Creek and the Poquoson River in York County.

Your appeal was received on February 19, 2010, and as such, is being considered timely under the provisions of Section 28.2-1311(B) of the Code of Virginia.

This will serve as formal notification that this matter will be reviewed by the Marine Resources Commission at their regularly scheduled meeting on Tuesday, March 23, 2010, commencing at 9:30 a.m. at our offices, which are located on the fourth floor at 2600 Washington Avenue, Newport News.
